Sitemap icons

This document lists all the icons currently in use on the GuardianAction sitemap, and their possible states.

Most icons fall into one of two categories:
- 3 states: Off, animated on, no reading
- 6 states: Off, 25%, 50%, 75%, 100% and no reading

The animations don't show in this document, but a description of each has been given.

Temperature

Room Temperatures

The background colour changes gradually from blue to green to red as the temperature increases.

64	Too cold
70	Correct temperature
