

## **Compliance : CSA & UL**

Certification Number : LR 111439-1

Date Issued : Nov 14, 1997

The products listed below are eligible to carry the CSA and NRTL/C mark

This signifies that the products have been evaluated to the applicable ANSI/UL and CSA standards for use in the US and Canada.

### **Products**

PSU-A

CTR1:110V

FSS3

MD2

Certified as components for use with other Certified Equipment.

### **Applicable requirements :**

CSA C22.2 No 1010.1-92 Safety requirements for Electrical Equipment for Measurement, Control and Laboratory Use.

UL3101-1 Electrical measuring and test equipment.

Note : The foregoing standards are based upon IEC 1010-1, with which it is closely harmonised. (Small variations in text of the relevant standards provide conformity between IEC1010-1 and existing regulatory requirements, but the essential standards are the same in CSA, UL and UK/EEC standards. The UK/EEC standard is BS EN 61010-1.)
